SOUTHERNFRIENDSHIP

"Strengthening the Church for the Next Generation"

PROPEL 2026 Highlights

Visionary Voyage (Parts 1 & 2)

This two-part session for Pastor's only, includes both morning and afternoon workshops. SFMBC Senior Pastor Frankey Grayton leads these sessions.

The Bridge

This new workshop invites young adults (ages 18–35) to work together on creating a support community centered around Christ. The workshop will consist of both morning and afternoon sessions and will be led by renowned drummer Hasmon "Haze Amaze" Abraham.

General Session: "AI for Ministry"

This year we will introduce a general session focused on how artificial intelligence can be integrated into ministry environments.

Propel attendees will select and attend three different workshop sessions: A morning workshop, an afternoon workshop, and a general session. Please ensure you select your specific workshops when completing your registration.

PROPEL is designed to meet the practical and spiritual needs of today's church leaders.

PROPEL Morning Workshops

(Select One)

VISIONARY VOYAGE – PART I

(Closed session for Pastors only)

An innovative session designed to inspire Pastors to think creatively and plan strategically. This interactive session will guide participants through envisioning their goals, mapping out a plan of action, and setting sail toward a bright and successful future. Join us for an empowering experience that will motivate you to navigate uncharted waters with confidence and determination.

SPIRITUAL STEWARDSHIP

Managing Church Finances While Grounded in God's Ethical Principles

Discover practical strategies and biblical principles for effective management of church finances. Whether you are a church leader, treasurer, or member interested in responsible financial stewardship, you will gain valuable insight into transparent financial practices and wise decision-making. Learn how to foster a culture of accountability and navigate church finances with integrity and wisdom.

MISSIONS

Making Missions Relevant & Engaging Your Church Community

Pastor of Missions, Minister Charles Robinson, will discuss the strategy for engaging the entire congregation in missions work. He will discuss how "Making Missions Relevant" whether through hands-on experience or financial support will lead to Missions Ministry success. He will also discuss how Missions Ministry success leads to the spread of the Gospel.

Southern Friendship Missionary Baptist Church

Reverend Frankey D. Grayton, Senior Pastor

FELLOWSHIP

Building a Strong Community Through Christian Fellowship

This impactful workshop delves into the importance of nurturing meaningful connections within a church community. Participants will explore the principles and practices of Christian fellowship, while learning how to foster a welcoming and supportive environment for members. You will receive practical strategies to strengthen relationships, encourage unity, and cultivate a sense of belonging among congregants.

THE BRIDGE – PART I

(Closed session for ages 18-35)

In a comfortable lounge setting, young adults will collaborate on how to build Christ-centered support communities within their local churches.

PROPEL Afternoon Workshops

(Select One)

VISIONARY VOYAGE – PART II

(Closed session for Pastors only)

A continuation of the interactive morning session guiding participants through envisioning their goals, mapping out a plan of action, and setting sail toward a bright and successful future. Join us for an empowering experience that will motivate you to navigate uncharted waters with confidence and determination.

DISCIPLESHIP

Small Groups Make a Big Impact

A dynamic and interactive workshop that explores the power of collaboration and connection. You will learn how to build your small groups using similarities among congregants:

- to build relationships
- to support each other in dealing with real-life situations and
- to grow together spiritually.

This session will coach you on how to foster a sense of community and support, whether you are a team leader or a member. You will be equipped with the skills and strategies to harness the potential of small groups and drive meaningful change.

ADMINISTRATION

How to Become a Church Management Master

This engaging workshop is designed to equip church leaders with effective management skills. Participants will learn practical strategies for leading and managing church operations, staff, and resources. You will receive valuable insights and practical tools to help enhance your organizational and administrative capabilities.

HIGH LEVEL STREAMING

Mastering High Level Live Streaming in a Digital World

This is an essential workshop for church leaders looking to embrace modern technology. This session provides practical insights and strategies for leveraging live streaming to engage and connect with congregants in a digital landscape. Participants will learn how to utilize live streaming platforms effectively, reach a wider audience, and foster meaningful connections in an increasingly digital world.

THE BRIDGE – PART II

(Closed session for ages 18-35)

A continuation of the morning session where young adults collaborate on how to build Christ-centered support communities within their local churches.

PROPEL General Session

(For all participants)

AI FOR MINISTRY

In this general session, we will discuss using AI to automate administrative tasks, enhance sermon prep, personalize outreach and analyze congregation data.
